

My favorite season

My favorite season in the South Shore region is summer. I like summer because I can go swimming, play in the 3 on 3 Basketball Tournament, ~~play sports~~, and to ride bikes.

I like to go swimming in a pool or ~~even~~ Norfolk Lake. When I go I spend time with my friends and family. I like the long boat rides after I'm swimming in the lake. When I feel the wind in my face, it makes me appreciate it even more for having the lake around. During the fourth of July we go on our boat to Norfolk Lake and watch the fireworks. We go to the bridge out on Norfolk lake ^{and} sit out a little ways from it.

Besides swimming I also like to play in the 3 on 3 basketball Tournament.

The 3 on 3 Basketball Tournament is

what my church does once a year. ^{my church's name} is Victory

Independent
Baptist

My church and I ask people if they want to come. The best part I like is that I can spend time with my friends. After all the basketball games I go home.

and eat chocolate ice cream.

Sometimes during the summer I play sports. I like to play softball with all of my friends. I like Arkansas during the summer because at the ball diamond there are hardly any bugs around you. Win or lose, I still like softball.

Riding bikes is the last reason I like summer. I like to ride it up my steep hill, and come flying down fast. The way the wind is in my face makes me want to do it again and again. By coming down a hill I mean me because I love the way the speed is. Although some people may like fall, winter, or spring, I like summer the south shore region of Arkansas.
