

MY CHURCH

Many people do not go to church, so I would like to introduce you to my church, Victory Independent Baptist Church on South 14 – 4 miles from Yellville. If you come to my church there are games, specials, secret pals, activities, friends, kids night, Bible Club and preaching services. I would like to tell you eight good things about my church.

First there are games for the kids. We have basketball, tag, rat hole and snake. We always play these games to keep us busy during non-service times. Second, there are times when the girls and sometimes boys sing specials during the services. We sing songs and learn sign language to go with the words of the song. Third, there are secret pals for kids the whole yearlong. The kids who come get toys, candy and presents from their adult secret pal. You do not find out who your secret pal is till the end of the year.

Fourth, there are many activities. The church host the annual shoot-out, kids carnival, kids night, teen activities, Bible club, Bible school, fall hayrack ride and bonfire and church camp. At each of these activities there are many things to do.

Fifth, there are friends. There are friends you can play with, talk with, go to activities with, but most of all you can learn about God with them. Sixth, there is kids night for kids 7 – 12 years old. Kids come and play games, have races, eat and hear a Bible lesson. It is a great time to be with your friends. The seventh reason is Bible club. Right now each person in the club has passed saying 20 Bible verses and are working on 30. Each time you learn 10 verses and can say them in a row you get a t-shirt. Eighth, is the most important reason of them all. When you come to my church you get to learn about God and all he has done for us.

Victory Independent Baptist Church is a great church. It is close to Yellville and welcomes all new people who want to attend. It is a great place to learn about God and make new friends. I would really like it if you would come to my church.
