G. The subscriber account information is located in the upper right-hand corner of each page of the statement. Please ensure that this information is correct on your bill.

H. The long distance detail legend will help to identify the type of call that was made from your phone, as well as any Optional Calling Plans that were applied to the call. This section will also display the monthly recurring charge for your Optional Calling Plan (if any) and your carrier rates.

I. Toll detail is listed in this section. Calls are rated based on your Optional Calling Plan (if any) and your carrier rates. If you have specific questions about long distance, please call Customer Service.

J. The bottom of each call detail will display a subtotal listed for the calls made. The final page will display the total of all long distance charges and the taxes applied (if applicable).
